7- Kid Gallery

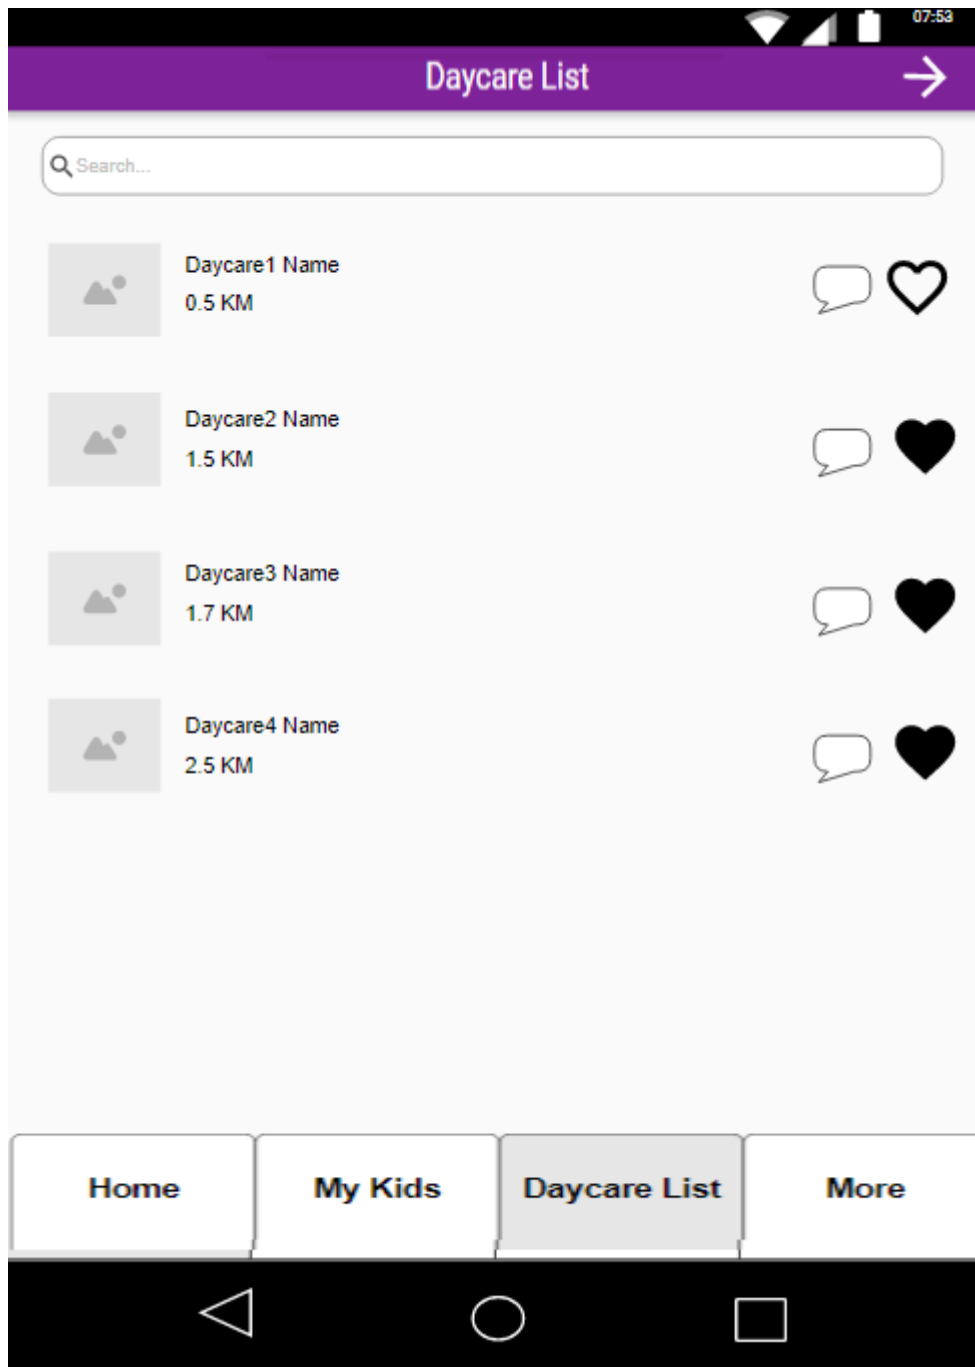

8- List of Daily reports sorted by date

9- Daycare list: viewed when clicking on “request new daycare” at kid’s profile screen.

10- Request new Daycare

The screenshot shows a mobile application interface for requesting a new daycare. At the top, there is a purple header bar with the text "Request new daycare" and a right-pointing arrow. Below the header, the form consists of two input fields: "Kid's Name:" with a placeholder "KID'S NAME" and "Selected Daycare:" with a placeholder "SELECTED DAY CARE NAME". Below these fields is a confirmation message: "Kid name would like to join your daycare." A "Send" button is positioned below the message. At the bottom of the screen is a navigation bar with four tabs: "Home", "My Kids", "Daycare List" (which is currently selected and highlighted in grey), and "More". The entire interface is set against a light grey background, and the bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons.
